Serial No. 1

BRIEF ABSTRACT OF LETTER.

Solicits the orders of Govt. as to whether Sri Satagopa Maryade may be shown to the Sri Yathiraja Swamy near the Chikkayyanakola at Melkote, on payment of the "Kamika" fixed therefor, at the time of the Swamy's return to Melkote from Bangalore.

NOTES AND ORDERS.

No precedents of similar Maryades shown to the Swamys of the Math on previous occasions are reported to be available, as the previous Swamys did not go out of Melkote.

2 The only authority for showing the

Serial

Maryade, as desired, is the Virup of 31-5-1829 issued by His late Highness Sri Krishnaraja Wodeyar (a printed copy of which has been produced by the matt agent). It is reported that in the temple records, there is neither the original Virup nor a copy of it. It is stated not to be forthcoming even in the Dy: Comr's office.

3 The Ayakattu Patti of 1852, an extract from which has been put up in the records, shows that Maryades to Mathadhipatis may be shown in three places, receiving the Kanikes fixed therefor. The Rayagopuram at the entrance to Melkote is the ~~highest~~ place, where the Sri Satagopa Maryade can be shown, ~~on~~ on payment of 6 varahas Kanike. No mention of such Maryade beyond this place, is mentioned here.

4 In para 5 of his letter the D. C. says that as the time allowed by the Swamy is insufficient, he has not been able to make a more thorough investigation in the matter.

5 It is ascertained that the Swamy is not likely to leave Bangalore for about

³² The question for
decision is whether Sri Sataboga-
Mariyade can be shown to the
Sri Yekirajawann near the
Chikkaiyya Kola at Melkote
on receipt from him of 12
Varahas.

³³ In all such cases the
burden of proving that the Mutt
has got such a privilege lies upon
it. And in discharge of this ~~Mutt~~
burden, the Mutt relies upon a
Kripa alleged to have been issued
by his late Highness Maharaja
Krishnaraja Wodeyar Bahadur II on
31-5-1829. This document
appears to be to the effect that several Matadi-
patis and Acharya Parushas

Serial
No.

had been invoked to ensure for
the consecration of Prasanna Krishna
haswani and that if any of them
went to Melkote and desired that
Sabalpa Maryade should be shown
to them, they request might be
complied with on the request of
them as follows detailed below:—

- (1) Near Pathala Mantap's Bali Peta
— 3 Varnas
- (2) Near Sopura Bali Bali Peta
— 3 Varnas
- (3) Near Raja Sopura Bali Bali
Peta — 6 Varnas
- (4) Near Chuchayana Kala
at the foot of the hill —
2 Varnas.

34 If this is a genuine document
and if it has not been superseded
by any other letter the Swami
at the Chuchayana Kala would have
been entitled to the Sabalpa Maryade

Serial

from the Chikangankhola on the payment
of him at 12 Varahas if he had returned
to Melkote ~~from~~ after attending the
Consecration Ceremony at Mysore. This
document does not seem to be applicable
~~now~~ for all time and in this view
the present case cannot be governed by it.

35. Assuming that it is of general
application, its genuineness is doubtful.
The Nrup is said to have been issued
to # Ganga Jais, Parpothapur of Melkote
and if it were genuine, it ought to be
in the Melkote temple but it is not
there. There is no reference either in the
records of the temple or in the Melkote
temple to show that such a Nrup was issued.
And the ~~the~~ original Nrup is not forthcoming, the
document produced by the Gethmanas Matt being
only a printed copy.

36. The same question as to what
honours should be shown to the Gethmanas Matt
again on his return to Melkote, arose for
decision in 1881 also and it was decided
by court that the Gethmanas Matt could not claim
the 'Preshyas' specially allotted to the six large
and more important Matts specified in the Margu
and that the Sumam of the Gethmanas Matt

according to this order. The heads
of the Marathas ruled six mulls

where the ~~the~~ Gethary Mull is
not entitled to the honours -

^{37.} This order dated
10 June 1881 was communicated
to the Mull of the Gethary Mull
and if the Mull was ruled upon
had been in his name. Then or had
been looked upon by the Mull as genuine
he would immediately have presented
an application to the Government
but that the order dated 10 June
1881 was approved by the Mull of
his business but no action appears
to have been taken till now
unfavouring the correctness of that
order though it was passed more
than 40 years ago. The conduct
of the Mull in acquiescing in the
order dated 10 June 1881 is shown

From the Agent of the Sri yetthiraja Math,
Letter no. 501 of 24.2.22. (Recd. 25.2.22)

Referring to the G.O. of 23-2-22 (SLS),
requests that specific orders may be
passed on the basis of his letter of 4.1.22. and
instructions issued to the S.D.O.

In the G.O. it has been stated that
the Math is not entitled to 12 varahas Sri
Sakagopu Mariyade. In the order of 1881
it is stated that the Math may be shown
the Mariyades to which the other Minor
Maths are entitled according to the
Ayakkatpatti of 1851. These Mariyades
are near Royagofuram (6 varahas),
near ~~Bali~~ outside Bali peetam (4 varahas)
and near inside Jale peetam (3 varahas).

Mariyade can be shown at any one
of the above 3 places, according to the
desire of the recipient.

agent's letter, and with a request that
mariyades may be shown to the Swami

I sent for Mr M. J
Karamanik and spoke to him today.

In the letter dated
4th Jan '22 received from the Agent
at Mirat mutt, he asked that order
might be passed that honours
might be given to the Swami
outside the town Melkote limits
One of the four places referred
to in the Agency letter of 1851
the only one which is outside
the municipal limits of Melkote
is Chikkarayan Kola. As the
Agent was informed that Satalappa
may not be allowed
to be known to the Swami near
this place.

The Agent has now
sent another order that this order
is not specific and that definite
order on the paper made in
the order dated 4-1-22 may be
passed.

As the order already passed
is quite specific, I sent for

Mr. J. Narayana and spoke
to him. He says that in town
limits, the town limits do not
mean the Municipal limits, but
the limits of old Melkote, which
has recently ~~expanded~~ ^{been} expanded, that
the northern side of old Melkote
is Hebbal and the Southern
side is "Rajalapuram" and
that a settlement will be shown
honours just outside the Hebbal
or Rajalapuram before he enters
Melkote proper. Mr. Narayana
says that although Hebbal and
Rajalapuram are now within
Municipal limits, the town did
not extend formerly beyond Hebbal
in the North and Rajalapuram
in the South and that the
Agent's plan dated 4-1-22
relates ~~that~~ to the honours to
be shown near Chikmagalur
Kola but also near Rajalapuram
or Hebbal and he requests
that Order may be passed about
the showing of honours to the town.

Clear these places

Point for order

According to the
L. O. dated 10 June 1881, the
Syndicate Swami can be shown the
Mangals provided in the Agra
part of 1851 for minor murtis
and under this rule, ~~a~~
the priest of a minor murti can
be shown Sabalpa Mangal
near Rayazapura on the
payment of six Varahas. The
Maramula reports that this
Mangal may be shown to the
Swami and this may be
sanctioned.

There is no reference
in the records here to the
passing of Honours near the
Hebbalah and consequently
we can not say anything about
it in the case of
Grand Member

For the matter of that even the
Muller Agribi Communication of 4.1.22
is not quite specific in its terms!

B a n g a l o r e.

Sir,

I have the honor to state that the Agent of the Sri Yatiraj Matt at Melkote has presented a petition to this office stating that the Sri Yatiraja Sampathkumara Ramanuja Jeeyar Swamygalavaruru of the above matt, who is now at Bangalore, will leave that place after the 25th instant for Melkote, and requests that at the time of His Holiness' arrival at Melkote, the Sri Satakopa Mariyadas from the Sri Narayanaswamy temple at the place may be ordered to be shown to him near Chikkaiyna kola, on receipt, of the prescribed fees of 12 varahas, said to have ~~been~~ ordered in the Nirup of 31st May 1829 issued by His late Highness Sri Krishnaraja Wodeyar (a copy of which has been produced by the Agent of the Mutt).

2. The Deputy Amildar French Rocks was directed to verify the copy of the Nirup above referred to with the original, if any, in the temple records and submit a report. He reports that on a reference to the temple records, neither the original nor a copy thereof was found. It is not to be found even in this office.

3. But on a reference to the Ayakat patty of 1852 and the Sha of 14th June 1913 maintained in the temple (extracts of om the Peshkar are attached hereto) it is seen that

26 27

that the Sri Ahobalaswamy, Sri Totadriswamy and Sri Raghavendraswamy have been allowed to receive the Satakopa Mariyadas near Chikkaiyana Kola on receipt of the prescribed fees of 12 varahas, during their visits to Melkote.

4. A petition signed by Lakshmi Narasimha Char and others dated 18th instant was received in this office objecting to the '12 varahas' mariyadas being shown to the Swamygalu on the ground that on a previous reference in 1881, it was ordered that only the mariyadas shown in the Ayakat Patti of 1851 should be given to the Swamy. A copy of the alleged order is enclosed with the petition. This reference is not forthcoming in this office as Melkote then belonged to Attikuppa Taluk which was under the jurisdiction of the Hassan Deputy Commissioner.

5. I should have wished for a more thorough investigation in the matter but the time allowed by the Swamigalu is insufficient and references are not readily available to verify the contentions of His Holiness.

6. In these circumstances, I solicit the early orders of Government as to whether the Mariyadas asked for may be allowed to the Swamygalu.

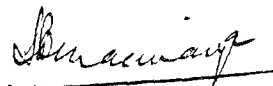

The Agent has been informed that a reference has been made to Government in the matter.

7. The vernacular correspondence ending with French Rocks Deputy Amildar's report No.45/21-22 dated 15th September 21 is submitted herewith for reference together with the petition received from Laksh Narasimha Char and others.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Mysore District.
